Professional Experience

Cloud Dreams | Digital Marketing Specialist

2026

Key responsibilities:

- Managed digital marketing strategies for **25+ clients** across Automotive, Hospitality, Manufacturing, Automation, Jewellery, Beauty, Finance, Education, and other sectors.
- Led SEO and Local SEO campaigns, including keyword research, competitor analysis, on-page, technical SEO, content optimization, and local search strategies.
- Managed nearly **200 Google Business Profiles** for a multi-location automotive client, optimizing listings, reviews, services, posts, categories, and local visibility.
- Managed website SEO, including technical audits, indexing, metadata, canonical tags, redirects, internal linking, schema markup, and website performance optimization.
- Developed and coordinated SEO content strategies for blogs, landing pages, FAQs, location pages, and search-intent-driven content.
- Planned and managed **Google Ads** and **Meta Ads** campaigns focused on lead generation, conversions, enquiries, calls, and brand awareness.
- Managed **social media accounts** through content planning, profile optimization, campaign coordination, scheduling, and performance analysis.
- Used Google Search Console, **GA4**, Google Tag Manager, Looker Studio, Screaming Frog, BrightLocal, Local Falcon, and Local Viking for SEO, analytics, tracking, and reporting.
- Manage digital marketing campaigns for both domestic and **international-targeted businesses**, including SEO and online marketing activities focused on the **US market**.
- Led **client communication** and **team coordination**, including strategy planning, task allocation, developer/designer coordination, approvals, reporting, and timely project delivery.
